Spinning Third Party【DSKB】

A Yankee Multi, what kind–
!! Nacintosh!?
Oh well– With such a cheap check maybe you don't know of us
I have a question for you– What are you trying to do?

Bachi
If that's all you have to say
Poo
"Will you allow me to make a check?" Is that how you are?
Vumu
It doesn't matter if I just break you!!
Wha!!
Too slow
Ban

Kua...
Chu
Don

Forte.. san, you'll tell me right
Fu fu fu
My armor
Ka a a
Isn't it shameful to have your data read? Doesn't matter. I'll learn everything soon
Uh
Even about your owner
But ..There are 2 or 3 files that are still protected

Uh...
Don't... If you try to escape...
Pi
V
u
My sisters would use brute force but,
ku...
We'll show all the remaining files
To elegantly verify. This is my motto
I find that method to be vulgar...
This... Is a dedicated tool that only us sisters can use.
POO

Kira
Kira
Kya !!
Pyuuu
Ku ku ku —ku. It didn't work.
Toku

Doku

UH
What Did You. Say?
Toku
Ah.
Furu
Furu
HRR RH NN.
As I said, This is a dedicated tool for us sisters
Wha what—

Pari
Pari
Ho ho ho ho... Now spit it out...
Your protection will soon be released.
Ku
Oh...Am I going to have to get a little vulgar.

D, Don't— Protection on the verge—
Nu
Dosu
Wha— What is that?
Vo
Kya!!

Gasshi
Washi
Washi
I'm getting sick... She has no waist...
Gross... Wha... What an ugly protect tool
Aaaah!! I can't stand it
I can't bare the sight of such ugliness
Protect
Y... you

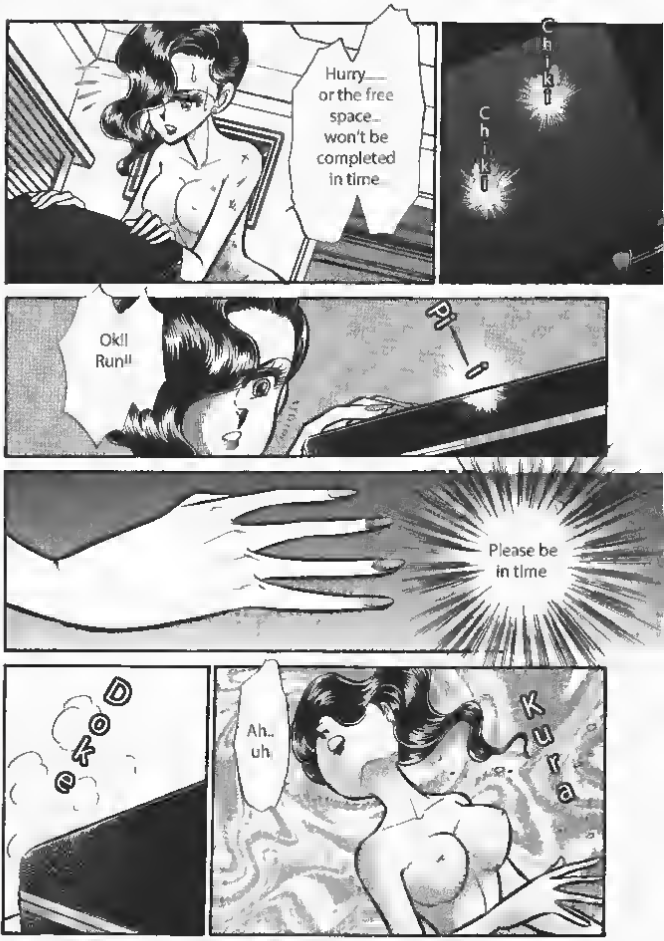
Pipi pi...
Give me the energy to escape!!
Hanako
Byu
Gasha
Even though I was so close...
Tch!!

My long awaited game was ruined thanks to this ugly peripheral device.
Geiso
Huh !
A shell

Haa
Haa
Haa
Uh
Yo.ro.
Gaku
Ku...
N-not enough power-

This...this is the last thing i need to do . I need to run the utility...
I have to hurry...and transfer this data to external memory before I reinitialise...
The power of the bio CPU can no longer hold data operations
Go
Sector Check!! Partitioning...



Hurry... or the free space... won't be completed in time...
Chiki
Chiki
Ok!! Run!!
Pi—i
Please be in time
Ah.. uh..
Kura
eko D

Daa..
Are you back Forte?
What the?

If all the data Forte aquired is linked to, I'll be able to find out what she is trying to do.
It may hold data on that woman Forte. Also link data should be recorded in ROM.
So... Shall we use this peripheral device?
I haven't checked her memory for anything yet.
Now comes my chance to show off
